Additional information: Do you LOVE health & fitness?
Do you love helping people?
How about building a community online?
Have you ever dreamed of selling bodybuilding supplements online?

Well, now's your chance!

coreSTR is an online supplement company with a difference.

It's been designed by a professional, on a platform for growth -

Magento.

All your marketing and establishment is already done:

- Almost 6000 fans on Facebook
- Solid presence on both Twitter AND Google Plus
- Fully SEO Optimised
- Extremely exhaustive and comprehensive Google AdWords campaign
- Responsive following

The reason coreSTR is on sale is due to a lack of passion. The founder has realised after a short time that he doesn't have enough passion to continue, and is going back to being a full time web developer.

That being said, this website, being the cornerstone of your business, is developed from the ground up and is worth over \$15,000!

Current assets include a great product range of supplements and accessories worth over \$35,000.

The business also includes keys to victory for cementing future success!

An established base, a good following, the

blueprint for success, a
fantastic website built for
growth, and a great range
of products.

Annual Nett Profit: \$...00
It's a no brainer!
